

Jon J.P. Warner, M.D.

Selected Curriculum Vitae Highlights: (as of 11/08)

Education:

- 1978 B.A., Colgate University, Hamilton, N.Y. – Biology
1982 M.D., University of Rochester, School of Medicine, Rochester, N.Y. – Doctor of Medicine with Honor (Graduated First in Class)

Postgraduate Training:

- 1982-1983 Internship in General Surgery, University of Rochester, Strong Memorial Hospital
1983-1984 Resident in General Surgery, University of Rochester, Strong Memorial Hospital
1984-1987 Resident in Orthopaedic Surgery, Harvard Combined Orthopaedic Program, Boston, MA (MGH, BWH, BIDH, CHMC)
7-12/1985 Research Fellow, BWH- Studies of Non-Traumatic Osteonecrosis of the Hip
7-12/1988 Clinical Fellow in Sports Medicine, Children's Hospital Medical Center (Dr. Lyle Michaeli)
1-6/1989 Cave Travelling Fellowship of the MGH, Fellowship at Inselspital, University of Bern, Switzerland (Drs. Roland Jakob and Christian Gerber)
1-3/1989 A.O. Fellowship, Bern, Switzerland (Trauma Surgery)
4-5/1989 Research Fellowship, University of Paris- Studies on suprascapular nerve anatomy at the School of Surgery
3-4/1989 Clinical Fellow in Sports Medicine, University of Linkoping, Sweden (Dr. Jan Gillquist)
7/89-8/90 Clinical Fellow in Shoulder and Sports Medicine, The Hospital for Special Surgery, Cornell University College of Medicine, N.Y. (Dr. Russell F. Warren)
5-6/1993 American Shoulder and Elbow Surgeons- Travelling Fellowship to Europe Society for Shoulder and Elbow Surgery, First Fellow selected in Ingaueral year of Fellowship
11/3-15/02 Harvard Leadership Program, Harvard Public Health, Dept. of Health Policy and Management for Academic Health Centers

Academic and Hospital Appointments:

- 1-6/1988 Instructor and Assistant in Orthopaedic Surgery, Ward Trauma Service, Brigham and Women's Hospital, Harvard Medical School
1990-'97 Assistant Professor of Orthopaedic Surgery, University of Pittsburgh Medical School

1997-'98 Associate Professor of Orthopaedic Surgery, University of Pittsburgh Medical School

4/98-7/99 Visiting Associate Professor of Orthopaedic Surgery, Harvard School of Medicine, Partners Dept. of Orthopaedics (MGH & BWH)

7/99-6/04 Associate Professor of Orthopaedic Surgery, Harvard School of Medicine, Partners Dept. of Orthopaedics (MGH & BWH)

6/2004- Professor of Orthopaedic Surgery, Harvard School of Medicine, Partners Dept. of Orthopaedics (MGH & BWH)

Other Appointments:

7-12/1988 Assistant, Sports Medicine Service, New England Baptist Hospital, Boston, MA

1990-1998 Assistant Medical Director, Sports Medicine Center, University of Pittsburgh
Director, Shoulder Service, Sports Medicine Center, University of Pittsburgh

4/98-8/08 Chief, The Harvard Shoulder Service (MGH & BWH)

8/2008- Co-Chief, The Harvard Shoulder Service (MGH)

5/6-1/08 Vice Chairman, Out-patient Services, MGH

72006 Chairman of the Executive Committee, Ambulatory Surgery Center of The MGH

Professional Societies:

- American Academy of Orthopaedic Surgeons (AAOS)-Member (1994-present)
- American Board of Orthopaedic Surgery (ABOS)-Diplomat (1992-present)
- Eastern Orthopaedic Association (EOA)-Member (1990-present)
- Pennsylvania Orthopaedic Society (POS)-Member (1990-1998)
- American College of Sports Medicine (ACSM)-Member (1994-present)
- Arthroscopy Association of North America (AANA)-Member (1994-present)
- American Shoulder and Elbow Surgeons (ASES)-Active Member (1994-present)
- Orthopaedic Research Society (ORS)-Member (1995-present)
- American Orthopaedic Society for Sports Medicine (AOSSM)-Active Member (1995-present)
- American Orthopaedic Association (AOA)-Member (1999-present)
- American College of Physician Executives (ACPE)-Member (1999-present)
- New England Orthopaedic Society (NEOS)-Member (2002-present)
- Australian Shoulder and Elbow Society (SESA)-Corresponding Member (2002-present)
- New England Shoulder and Elbow Society (NESES)-Member 2003-Present; President-elect (2008)

Community Service:

- **1989-1990:** Assistant Team Physician, New York Football Giants
- **1991-1998:** Head Team Physician, Central Catholic High School, Pittsburgh, PA
- **1993-1998:** Team Physician, University of Pittsburgh, Swim Team, Volleyball Team
- **1993-1998:** Team Physician, Point Park Junior College, Tennis Team
- **2001-2008:** Consultant, New York Islanders Professional Hockey Team
- **2007-present:** Consultant, National Hockey League (NHL)

Editorial Boards:

- **1992-present:** Reviewer, Clinical Orthopaedics and Related Research (CORR)
- **1993-present:** Reviewer, Journal of Bone and Joint Surgery-American (JBJS)
- **1993- present:** Editorial Board, Journal of the American Academy of Orthopaedic Surgeons (JAAOS)
- **1994-present:** Reviewer, American Journal of Sports Medicine (AJSM)
- **1994-present:** Reviewer, Journal of Orthopaedic Research (JOR)
- **1996-present:** Reviewer, Journal of Biomechanical Engineering (JBE)
- **1996-present:** Reviewer, Journal of Shoulder and Elbow Surgery (JSES)
- **1997-present:** Reviewer, The Lancet
- **1993-present:** Reviewer, Journal of Arthroscopy (JA)
- **2000-present:** Editorial Board, Techniques in Shoulder and Elbow Surgery (TSES)

Awards and Honors:

- **Undergraduate (Colgate University)**
 - Phi Beta Kappa Honor Society
 - Beta Biology Honor Society
 - Magna Cum Lauda
 - Lawrence Gregory Award for Excellence in Organic Chemistry (top GPA)
- **Medical School (University of Rochester)**
 - Alpha Omega Honor Society (Junior Year)
 - Graduation with degree of Doctor of Medicine with Honor (top 4%)
- **Postgraduate:**
 - **1987-** Annual Frank Stinchfield Award of the Hip Society, (*Studies of Non-Traumatic Osteonecrosis of the Femoral Head*)
 - **1989-** Annual Award of the Orthopaedic Trauma Association in category of Best Paper on Upper Extremity Fractures (*Closed Reduction and Percutaneous Pinning of Unstable Proximal Humerus Fractures*)
 - **1990-** Annual Resident/Fellow Scholar Award of the Eastern Orthopaedic Association (*Scapulothoracic Motion in Normal Shoulders and Shoulders with Glenohumeral Instability and Impingement. A Study Using Moire Topographic Analysis*)

- **1991- Nomination for the Annual Neer Award of the American Society of Shoulder and Elbow Surgeons** in the category of research (top 5 papers) (*Anatomy of the Suprascapular Nerve and Anatomic Constraints to Mobilization of the Supraspinatus and Infraspinatus for Management of Massive Rotator Cuff Tears*)
- **1991- Annual O'Donoghue (Sports Medicine Research- Best Paper) Award of the American Society of Sports Medicine** (*Static Capsuloligamentous Restraints to Superior-Inferior Translation of the Glenohumeral Joint*)
- **1991- Annual Resident/Fellow Scholar Award of the Eastern Orthopaedic Association** (*Static Capsuloligamentous Restraints to Superior-Inferior Translation of the Glenohumeral Joint*)
- **1992- Annual Resident/Fellow Scholar Award of the Eastern Orthopaedic Association** (*Dynamic Capsuloligamentous Anatomy of the Glenohumeral Joint*)
- **1992- Third Place Resident Paper, Pennsylvania Orthopaedic Society** (*Dynamic Shoulder Model*. McMahon, P., Warner, J.J.P., Debski, R., Fu, F.H.) Pennsylvania Orthopaedic Society, Fall Meeting, Pittsburgh, PA,
- **1993- Selected as First European Exchange Traveling Fellow representing the American Shoulder and Elbow Surgeons.** A.S.E.S./S.E.C.E.C (May-June)
- **1993- Annual Resident/Fellow Scholar Award of the Eastern Orthopaedic Association** (*Massive Rotator Cuff Tears: A Clinical and Radiographic Study*)
- **1993- Resident Prize - Best Research Paper** (McMahon, P.: *Rotator Cuff Muscle Forces: A Dynamic Study*). **1st Annual Residents and Fellows Research Day, University of Pittsburgh**, Department of Orthopaedic Surgery (04/27/93)
- **1993- John J. Joyce Award of the International Arthroscopy Association. (Best Paper of Meeting)** - *Dynamic Capsuloligamentous Anatomy of the Glenohumeral Joint*, Hong Kong (June)
- **1994- Nomination for the Annual Neer Award of the American Shoulder and Elbow Surgeons** in the category of Clinical Paper (Top 5 papers in category) (*The Concept of a "Selective Capsular Shift" for Management of Anterior-Inferior Instability of the Shoulder*)
- **1994- Winner of the Annual Neer Award of the American Shoulder and Elbow Surgeons** in the category of Research (*Proprioception in Normal Shoulders and in Shoulders with Anterior Instability and Following Capsulolabral Repair*)
- **1994- Winner of the Best Fellow Clinical Paper, Annual Resident/Fellow Thesis Day** (Fellow: G.A. Caldwell, Faculty Preceptor: Jon J.P. Warner: *Transosseous Suture-to-Bone Fixation: The Weak Link in Rotator Cuff Repair? A Biomechanical Study*), **University of Pittsburgh**, Department of Orthopaedic Surgery
- **1994- Winner of the Herodicus Award for Best Resident Paper presented at the Annual AOSSM Meeting** (Resident: William O. Thompson, M.D.; Faculty Preceptor: Jon J.P. Warner, M.D.) *Force Couples about the Glenohumeral Joint in Rotator Cuff Defects*. Presented at the Annual Meeting of the American Society for Sports Medicine, Palm Desert, CA (June 26-29)
- **1994- Second Place Award of the International Mechanical Engineering Congress and Exposition.** Amsterdam, Netherlands, (Debski, R.E., McMahon, P.J., Warner, J.J.P., Fu, F.H., Woo, S.L.Y.: *Measurement of Muscle Force and Glenohumeral Joint Kinematics During Scapular Plane Abduction*) Summer, 1994
- **1995- Second Place Award for Best Resident Paper. Annual Pennsylvania Orthopaedic Society Spring Meeting** (Resident: Robert Goitz; Preceptor: J.J.P. Warner). *"Arthroscopic-assisted RCT Repair: Patient Selection and De-selection."* Williamsburg, VA (April 6-8)

- **1996- Winner Kappa Delta (Young Investigator) Award of the American Academy of Orthopaedic Surgeons and Orthopaedic Research Society** (Best Research contribution over a minimum 5 year period): *“A Dynamic Model for Motion and Stability of the Glenohumeral Joint.”*
- **1996- Nomination for the Annual Neer Award of the American Shoulder and Elbow Surgeons** in the Category of Basic Research (top 5 papers): *“Functional Relationships of the Glenohumeral Ligaments: A Quantitative Study* (February)
- **1996- Nomination for the Annual Neer Award of the American Shoulder and Elbow Surgeons** in the Category of Basic Research (Top 5 papers): *“Anatomy and Function of the Coracohumeral and Superior Glenohumeral Ligaments.”* (February)
- **1996- Winner of the Resident/Fellow Research Award of the Arthroscopy Association of North America (A.A.N.A.).** Fellows: John Ticker, Gloria M. Beim; Faculty Advisor: Jon. J.P. Warner, M.D.: *“Recognition and treatment of isolated refractory posterior capsular contracture”* Presented at the AANA Mtg. Washington, D.C. April 13. 1996.
- **1996- Second Prize Resident/Fellow Paper Competition. Pennsylvania Orthopaedic Society Meeting.** Fellow: Ronald A. Navarro, M.D.; Faculty Advisor: Jon J.P. Warner, M.D.: *“Serratus anterior dysfunction: Recognition and treatment.”* April 18-20, 1996. Aventura, Florida.
- **1996- First Prize Best Research Paper by a Fellow. Dept. of Orthopaedic Surgery, University of Pittsburgh.** Fellow: Gloria M. Beim, M.D.; Faculty Advisor: Jon J.P. Warner, M.D.: *“Recognition and treatment of refractory posterior capsular contracture of the shoulder.”* Resident and Fellow Thesis day. (April 17) Pittsburgh, PA
- **1996- Second Place Paper, Didier Patte Award of the S.E.C.E.C.** (Eupean Society for Surgery of the Shoulder and Elbow). Nottingham, England. (September). (Imhoff, A.B, Warner, J.J.P., Debski, R.E., Demirhan, M., Patel, P.R., Fu, F.H., and Woo, S. L-Y: *Functional relationships of the glenohumeral ligaments: A quantitative study.*)
- **1996- Selected as Host for SECEC/ASES** (European/American Shoulder and Elbow Societies) Traveling Fellows. Dept. of Orthopaedic Surgery, University of Pittsburgh. (Sept. 25-29)
- **1997- First Prize Best Research Paper by a Fellow. Dept. of Orthopaedic Surgery, University of Pittsburgh.** Resident: Robert Goitz; Faculty Advisor: Jon J.P. Warner, M.D. : *Arthroscopic-Assisted Rotator Cuff Repair.* Presented at Resident and Fellow Thesis Day. (May 7)
- **1997- Selected as one of Best 15 Papers of Meeting. Annual Meeting of the European Society of Surgery of the Shoulder and Elbow.** Salzberg, Austria. (Sept 15-17): *A Dynamic Model of Capsuloligamentous Injury in the Shoulder.*
- **1998- Nominated for the Neer Award of the American Shoulder and Elbow Surgeons** in Category of Research (Best 5 papers). (Debski, R.E., Sakane, E., Warner, J.J.P., Fu, F.H., and Woo, S. L-Y: *The Role of the soft tissues in Stability of the Glenohumeral Joint. A robotic study.*) New Orleans, (March)
- **1998- Teaching Award from Graduating Senior Orthopaedic Residents,** University of Pittsburgh
- **1999- Winner for the Annual Neer Award of the American Shoulder and Elbow Surgeons.** (Warner, J.J.P., Parsons, I.M.: *Lattisimus Dorsi tendon: Comparative analysis for treatment of failed prior rotator cuff repairs and primary reconstruction of irreparable rotator cuff tears.*) Aneheim, LA, (March)

- **2000- Elected Member of American Orthopaedic Association (AOA)** (4% of all orthopaedic surgeons in North America)
- **2000- Selected as Chairman of the Comprehensive Shoulder Course of the American Academy of Orthopaedic Surgeons, and the Open Meeting for the American Shoulder and Elbow Surgeons** (2000-2003).
- **2001- Winner of Annual O’Connor Award (Best Research Paper) of the Arthroscopy Association of North America (AANA).** Apreleva, M., Ösbydar, M., Fitzgibbons, P., Warner, JJP: “A quantitative Three-dimensional analysis of Rotator cuff anatomy after surgical repair.” Presented at Annual AANA Meeting. Seattle, WA. April 20, 2001.
- **2001- Selected as Program Chairman for 2004 Annual Meeting of the American Academy of Orthopaedic Surgeons (AAOS)**
- **2002- Awarded Corresponding Membership in the Australian Shoulder and Elbow Society (SESA), Australia**
- **2003- Nominated For Neer Award of the American Shoulder and Elbow Surgeons** (“Glenoid Reconstruction for Recurrent Post Traumatic Anterior Shoulder Dislocation” J. Warner, T. Gill, P. Millett, J. O’Holleran, N. Pathare)
- **2004- Selected to the Central Program Committee for 2004 Annual Meeting of the American Academy of Orthopaedic Surgeons (AAOS)**
- **2004- Elected as a Member of the International Delegates to the 9th International Congress on Surgery of the Shoulder** (Elected by the American Shoulder and Elbow Surgeons (ASES) to represent the USA in selection of the 2010 venue for the 11th ICSS Meeting)
- **2004- Nominated for the 2003-2004 Excellence in Mentoring Award** Harvard Medical School
- **2004- Selected as Host for European Shoulder and Elbow Traveling Fellows,** October 7-8, 2004
- **2004- Chairman and Course Director,** AAOS 2004 Biennial Shoulder and Elbow Meeting, Monterey, CA, October 14-17, 2004.
- **2004- Kilfoyle Award of New England Orthopaedic Society for Best Paper of 2004:** Chen, Millett, PJ, Warner, JJP: “*Transfusion Requirement after Total Shoulder Replacement*”
- **2004- Honorary Degree of Masters of Arts:** Harvard University, Cambridge, Massachusetts. December 15, 2004
- **2005- Nominated For Neer Award of the American Shoulder and Elbow Surgeons Open Meeting.** Clavert, P, Millett, PJ, Warner, JJP, “*What are the Limits of Reconstruction of Glenoid Erosion in Shoulder Arthroplasty?*”
- **2005- Awarded a Blue Ribbon for Best Scientific Exhibit at AAOS Annual Meeting, 2005.** Millett, PJ, Ponce, B, Mazzocca, A, Ahluwalia, R, Warner, JJP, “*Subscapularis Dysfunction after Total Shoulder Arthroplasty: A Biomechanical and Clinical Evaluation of a Novel Lesser Tuberosity Osteotomy Repair Technique*”
- **2006- Elected to the Board of Directors of the San Diego Shoulder Institute and Shoulder Course, 2006. (*The oldest and largest Shoulder CME Course in the United States*)**
- **2006- Selected as Host for 2006 American Orthopaedic Association (AOA) Austrian-Swiss-German (ASG) Exchange Traveling Fellowship. Massachusetts General Hospital (March 13, 2006)**
- **2006- President’s Guest Speaker, 17th Annual Scientific Meeting, British Elbow and Shoulder Society, Edinburgh, Scotland, May 31-June 2, 2006. Presidential**

Lecture: “Management of shoulder arthritis in the young, active patient: science, science-fiction, patient satisfaction ...”

- **2006- Selected as Host for 2006 ASES Exchange Fellowship**, October 2-3, 2006
- **2006- President’s Guest Speaker**, 20th Congress of the European Society for Surgery of the Shoulder and the Elbow (ESSSE), Athens, Greece, September 20-23, 2006
Presidential Lecture: “Management of Arthritis and Chondral injuries in the Young Patient: anatomical Reconstruction - Proof of Concept”
- **2006- Partners in Excellence Award** for the MGH Orthopaedic Ambulatory Surgical Center. **Awarded December 19, 2006 “For Leadership and Innovation and Teamwork”**
- **2007- Nominated for The Mel Post Award for Excellence in Clinical Research.** “*Biological Resurfacing of the Glenoid in Shoulder Arthritis*”. The ASES Research Committee selected five nominees to be considered for this award, will review the recommended manuscripts and select the 2008 Post Award(s). Final decision will be in early January 2008.
- **2008- Elected President of the New England Shoulder and Elbow Society.** (www.neses.com) January 2008
- **2008- Nominated for Charles S. Neer Award for Excellence in Clinical Research.** “*Management of glenohumeral arthritis in young patients with biological resurfacing of the glenoid*”. Warner, J.P., Higgins, L.D., Ozbaydar, M., El Hassan, B., Massimini, D. Presented at Annual Meeting of the American Shoulder and Elbow Surgeons, San Francisco, CA March 8, 2008.
